Mesoglycan
Artery Strength and Healthy Circulation*

Supports blood vessel strength, integrity, and flexibility*
Provides bio-identical mesoglycan compounds shown to promote complete circulation support*
Supports healthy blood vessels in the heart, eyes, legs, brain, and throughout the body*

Recommendations: 1 capsule daily. For advanced support increase to 1 capsule twice daily, or as recommended by your healthcare practitioner.
If pregnant or nursing, consult a healthcare practitioner before using.

30 Capsules
Dietary Supplement

SUPPLEMENT FACTS
Serving Size: 1 Capsule
Servings Per Container: 30
Amount Per 1 Capsule: %DV
Mesoglycan **
50 mg
as a naturally occurring complex of glycosaminoglycans (porcine source)

** Daily Value (DV) not established

Other Ingredients: microcrystalline cellulose, hypromellose (methylcellulose vegetable cellulose capsule), organic rice bran extract, stearic acid, silica.
No sugar, salt, yeast, wheat, gluten, corn, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives.

Manufactured exclusively for:
EuroMedica
905 Challenge Drive
Green Bay, WI 54311

You may know mesoglycan by another name (aortic acid, glycosaminoglycans, or mucopolysaccharides) but no matter what you call it, it is vital for cardiovascular health. In fact, your entire circulatory system – all 60,000 miles of it – needs mesoglycan simply to function!*

And cardiovascular health is about a lot more than just your heart. It includes our arteries, veins, and other “microcirculatory” vessels in delicate organs like the eyes and brain.

Mesoglycan goes beyond heart health. It provides a bio-identical, easily-utilized source of critical building blocks for strong veins and arteries – throughout your entire body.*

Clinical studies have shown amazing benefits:

- Beyond heart health – for your entire circulatory system!
- Supports strong blood vessels
- Helps keep veins and arteries flexible
- Great source of glycosaminoglycans (GAGs) – the building blocks of blood vessels
- Helps assure optimal circulation to the eyes
- Perfect for leg vein support and structure
- Bio-identical mesoglycan – easily utilized by the body!*

Frequently Asked Questions for Mesoglycan:

Q. What exactly is mesoglycan?
A. Mesoglycan is a naturally occurring substance found in the body, especially in the heart and blood vessels (veins and arteries). Vascular glycosaminoglycans (or GAGs, sometimes called mucopolysaccharides) are the building blocks of blood vessel walls. Other examples of GAGs include chondroitin and hyaluronic acid. Supplemental mesoglycan has been shown in scientific and clinical studies to support strong, flexible veins and arteries, healthy blood circulation, heart and brain health, and more.*

Q. What is the source for mesoglycan?
A. Mesoglycan is from a porcine source that provides the form of this nutrient which is best-used by the human body's cardiovascular system.*

What to pair with Mesoglycan:

- **EurOmega-3** – Provides Omega-3 fatty acids in a 2:1 DHA/EPA ratio bound to beneficial phospholipids, plus peptides as they naturally occur in salmon for the ultimate in cognitive, heart, and mood support.*
